

## PRIVACY POLICY

We collect personal information from our visitors on a voluntary basis; they could include name, title, company, address, phone number, email address, and other relevant data. We do not require personal information to gain access to most of our site. We use the information provided by visitors to answer their requests, improve our business, and communicate them news about our products, services, and events.

Subsidiaries and / or external service providers participate in some of these activities. We do not sell or rent personal information to independent companies for direct marketing purposes. In addition, depending on the evolution of our business, we can transfer or acquire businesses and assets, transferring information about customers and site visitors in relation to such transactions.

### 1 - Holder of Data Processing

Mates Italiana srl, via Pacinotti, 4, 20090 Segrate – Italia,  
info@mates.it

### 2 - Types of data collected

Personal Data collected from this Application, either autonomously or through third parties, are: Cookies, Usage Data, First Name, Last Name, Email and Location. Other Personal Data collected may be indicated in other sections of this Privacy Policy or by informative texts displayed while collecting the Data. Personal Data may be entered voluntarily by the User or collected automatically when using this Application. Any use of Cookies - or other tracking tools - by this Application or third party service providers used by this Application, unless otherwise specified, has the purpose of identifying the User and registering their preferences for purposes strictly related to the service provided by the User. Failure to provide the User with any Personal Data may prevent this Application from discharging its services. You are responsible for the personal data of third parties that are published or shared by this Application and warrant that you have the right to disclose or disseminate them by releasing the holder from any liability to third parties.

### 3 - Method and location of processing of Data collected

#### a) Treatment mode

The Owner treats Personal Data of Users by taking appropriate security measures to prevent the unauthorized access, disclosure, modification, or destruction of Personal Data.

The treatment is carried out using computer and / or telematic tools, with organizational and logical methods strictly related to the purposes indicated. In addition to the Owner, in some cases they may have access to the Data categories of persons involved in the organization of the site (administrative, commercial, marketing, legal, system administrators) or external entities (such as third party technical service providers, postal couriers, hosting providers, computer companies, communication agencies) also appointed, if necessary, responsible for the treatment by the Owner. The updated list of Responses may always be requested from the Treatment Manager.

#### b) Place

Data are processed at the Operator's Headquarters and in any other place where the parties involved in the treatment are located. For more information, contact the Owner.

#### c) Times

Data are processed for the time required to perform the service requested by the User, or required by the purposes described in this document, and the User may always request the discontinuation of the Processing or the deletion of the Data.

### 4 - Purpose of Treating Data Collected

The User Data is collected to allow the Owner to provide its services, as well as for the following purposes: Statistics, Social Networking and External Platforms, Contacting the User and Geolocalization. The Types of Personal Data used for each purpose are listed in the specific sections of this document.

### 5 - Details on the treatment of Personal Data

Personal Data is collected for the following purposes and using the following services:

- a) Contact the User
- b) Geolocation
- c) Interaction with social networks and external statistics platforms

### 6 - Further information on treatment

#### a) Defense in court

The Personal Data of the User may be used for defense by the Registrar in the Judgment or in the preparatory steps for its possible establishment, abuses in the use of the same or related services by the User. The User declares that he / she is aware that the Owner may be required to disclose the Data at the request of the public authorities.

#### b) Specific information

Upon Customer's request, in addition to information contained in this Privacy Policy, this Application may provide the User with additional and contextual information regarding specific services, or the collection and processing of Personal Data.

c) System logs and maintenance

For operational and maintenance purposes, this Application and any third party services that it uses may collect System Logs, that is, files that record the interactions and may also contain Personal Data, such as the IP User Address.

d) Information not contained in this policy

Further information regarding the processing of Personal Data may be requested at any time by the Data Holder using the contact information.

e) User Exercise Rights

Persons referenced on Personal Data have the right at any time to obtain confirmation of whether or not they are in the possession of the Treatment Holder, to know their content and origin, to verify their accuracy or to ask for their integration, the deletion, updating, rectification, transformation into anonymous form or the blocking of personal data processed in violation of law, and to oppose, in any case, for legitimate reasons, their processing. Requests must be sent to the Treatment Holder. This application does not support "Do Not Track" requests. To find out if any third party services they use support you, you are welcome to consult their privacy policy.

f) Changes to this Privacy Policy

The Owner reserves the right to make changes to this Privacy Policy at any time by giving the Users an advertisement on this page. So please check this page often, referring to the last modified date at the bottom. In the event of non-acceptance of the changes made to this Privacy Policy, you are required to discontinue the use of this Application and may request the Treatment Manager to remove its Personal Data. Unless otherwise specified, the previous privacy policy will continue to apply to the personal data collected until that time.
